N O T E: *Everyone participating in any event sponsored by North State Shooting Club, must complete and sign a “Release of Liability” or have one on file.*

This target face shows the value marker locations for the "Fullbore" scoring system, which is now used at the highpower range at the NRA Whittington Center in Raton, New Mexico. An X is marked in the same location as a 5, with the assumption that the score-keeper can also see the shot spotter in order to know whether the shot was an X or a 5. There are different opinions on how a miss should be indicated. Possibilities include no value marker, or a value marker at 12 o'clock, or two value markers (at the target's bottom-left and bottom-right).

Rifle Matches

The North State Shooting Club is pleased to announce these HPR Matches. Entries in Individual matches are limited to 160 competitors, 3 or 4 relays. The match will be fired in the order listed in the program, unless changed by the match director. Program changes will be posted on the NSSC webpage. The match director may make changes immediately prior to the start of the match. The match director will post a note of the change in the pits. For “over the course” type matches, Relay 3 and 4 will report to the pits, with a change-over after the first and second relay have completed the 300 yd phase. Change over in the NMC Regional will be after the 200 yd phase is completed. Palma matches will change over as indicated in match program. NRA High Power Rules will govern the conduct of the match. Competitors will score and pull targets during the matches (NRA rule 10.5). Current NRA and CMP rules will govern all matches. Competitors may bring their own pullers or hire one, but the competitor will be responsible for the conduct of the puller and operation of the target. All paid pullers will be under control of NSSC. For 2-day matches, relay 3 and 4 will report to the pits first in the morning on the first day. Relay 1 and 2 will report to the pits first on the morning on the second day.

Please Note: When entering a Long Range Tournament, you must enter and shoot in only one category in all matches for that tournament. If you shoot in any higher category other than indicated on your ENTRY CARD, then that score will not be counted. For example, if you enter in the Palma Rifle category, you must compete in the Palma Rifle category for all matches. You can shoot a Palma Rifle in any match but your scores will be entered in the Any Rifle category as long as you indicated the Any Rifle category on your ENTRY CARD. If you indicated you are shooting Palma Rifle on your ENTRY CARD and you shoot a match with Any Rifle, that score will not be counted. Another example is if you enter in the F/TR category, you must compete in the F/TR category for all matches. You can shoot your F/TR rifle in any match but your scores will be entered in the F/Open category as long as you entered the F/Open category on your ENTRY CARD. If you enter the F-T/R category on your ENTRY CARD and shoot F/Open in any match, that score will not be counted.
